Synopsis

(Vocal Selections). In a magical kingdom beneath the sea, a beautiful young mermaid named Ariel longs to leave her ocean home to live in the world above. But first, she'll have to defy her father the king of the sea to escape the clutches of an evil sea witch and convince a prince that she's the girl with the perfect voice. Based on one of the most beloved Disney films of all time and the classic Hans Christian Andersen fairy tale, The Little Mermaid is the sparkling new Disney musical that's poised to make a splash on Broadway. Some of Disney's most popular songs are featured in show including "Part of Your World," "Kiss the Girl," and the Academy Award-winning Best Original Song, "Under the Sea" by the songwriting team of 8-time Academy winner Alan Menken and the renowned Howard Ashman. The stage adaptation also features new songs by Menken and Glenn Slater, plus a book by Tony Award-winning playwright Doug Wright.

Customer Reviews

My daughter decided, after performing in The Little Mermaid, Jr. in our local theater, to sing the full Broadway production version of a couple of the songs. This book gave her the sheet music with all the original lyrics she needed to learn. Nice big book, well bound, is now dog-eared but intact. Served its purpose!

Helpful, but had the Good Times song instead of the one in the score -- a good song, but different. Poor Unfortunate Souls is in the songbook, and fairly intact.

Very fun music! Great arrangements of the Broadway songs!

But the first song Ursula sings was changed for local theatre productions to Daddy's Little Angel, and it was not in the anthology. Otherwise a good general selection of the main songs.

Absolutely my favorite Disney movie ever created. I just had to have this. The piano part is easy enough to play for me (I am not at all advanced) and the lyrics bring back great memories. My students really enjoy learning the pieces out of this book.

The broad musical has a lot of of new music that's not in the movie. Good to have it in one place.

Piano and vocal, just what I needed! :)

We already have the CD as part of the preparation for our next children's theater show & then decided to get this to help us learn the songs even more.
