## Synopsis

Many tourists know the world-renowned French Quarter as a great photo op rich in old-world charm, but its roots as a community go back to the very inception of the city. Buddy Stall takes an affectionate look at the historic district that gave birth to many of our country's firsts-the first movie theater, the first apartment buildings, and the first department store. He describes the history, people, architecture, and religious and Carnival life of this famous neighborhood.
