Customer Reviews

The book is everything that I expected . It is a definite improvement over older editions.

It is a clinic book and already dogeared from use. More pictures if skin conditions are always useful.

interststing

Each edition of this standard text gives great depth and excellent up to date references. I found the ebook version hard to search. Hopefully in the fullness of time the publishers will take full advantage of the benefits of the ebook format.

Most comprehensive and contemporary textbook on Veterinary Dermatology.

All you need to know about dermatology if u do small practice. A lot of pictures, diagnosis methods, treatments- really great book!

Tanks for the agility on delivery.Very Good book for study and consult.I reccomend this one for all Veterinarys.

love this book
