Customer Reviews

"...if you still have a white coat pocket, and need ready access to detailed information about cardiac anatomy, function and the various treatment options for congenital and acquired heart disease then this book fits the bill." Reviewed by Seminars in Fetal and Neonatal Medicine, Apr 2015

Would order again

Love the book. Helps a lot with patients. I'm a Pediatric Echo sonographer so now I feel more prepared.

Great pocket book with online access! I had the previous version as well and this one is more complete.

must have
