Norman Lewis was born in 1912 in Brooklyn, New York, and died in 2006 in Whittier, California. He was an author, grammarian, lexicographer, and etymologist, and a leading authority on English-language skills. In addition toÃ Â Word Power Made Easy, his many bestselling books includeÃ Â 30 Days to Better English,Ã Â 30 Days to a More Powerful Vocabulary, and several revised editions ofÃ Â Roget's Thesaurus.

This is a concise and.comprehensive vocabulary development program in a fun-to-use format. I had used it in the past to prepare students for the NJSAT examinations and have notes from students saying how much it helped them. I purchased this for a second grade grandnephew who loves words. I wish it came in a larger print format, but it is still better than anything else I have seen.

fast shipping & good product

Good book with a lot of vocab for middle schoolers. The book is a low cost edition, the print is just okay

This book is a great buy for anyone who wants to increase their vocabulary. It breaks down words into their parts so that mixing and matching parts allows you to figure out the meanings of words that you otherwise would never bother to memorize. I strongly recommend this book.
