Great map - it has everything I need. Street map, metro map, helpful translations for buying metro/bus tickets.

The map legend of streets is too limited, so unless you know where a street is, you can’t find it-- in which case you wouldn’t need a map.

Best Paris map and I have many.

Great map. Very detailed and accurate.

i ordered it; it came; it was what i wanted. hooraay 5 stars

good map.

The essential guide. A LARGE PRINT VERSION would be better.

I expected to have the Metro stations superimposed on the street map not as a separate map.
