He hasn't spent much time with kids his own age, let alone dated. Now that his mother is busy with his new twin sisters, he must enroll at the local high school for his senior year. On the first day of school a girl catches his eye. Lisa is a loner and doesn't care what anybody thinks of her. Nathan is intrigued. When he and Lisa finally start spending time together, he is the happiest he's ever been. But Lisa has a tragic secret and when she decides to deal with it herself, Nathan has to make a choice. Can he ever let go of Lisa?Saving JessicaJessica McMillan and Jeremy Travino are a perfect couple. When they met in high school, Jessica's upbeat spirit helped Jeremy to see that there must be a reason he was spared in the car accident that killed his brother. But now Jessica has been diagnosed with kidney failure. Her only hope is a kidney transplant but no one in her family is a match. Jeremy can't watch another person he loves die. He believes that his life was spared so he could save Jessica by donating a kidney. But his parents are terrified of losing their only child. Will Jeremy go against his parents' wishes to do what he must to save Jessica?Telling Christina GoodbyeTrisha Thompson and her best friend, Christina, are having a great senior year. Trisha and her boyfriend are making plans to attend Indiana University, and Christina received a scholarship to the University of Vermont. Everything would be perfect if only Trisha got along with Christina's controlling boyfriend, Tucker, who is trying to convince Christina not to go away for college. Their lives are forever changed when one night Tucker drives them all home from a basketball game. He hits black ice and the car overturns. Tucker walks away with barely a scratch, but Trisha is injured, Cody is in a coma, and Christina is dead. Those that are left must learn to heal, in order for their lives to move on.

LURLENE MCDANIEL began writing inspirational novels about teenagers facing life-altering situations when her son was diagnosed with juvenile diabetes. "I saw firsthand how chronic illness affects every aspect of a person’s life," she has said. "I want kids to know that while people don’t get to choose what life gives to them, they do get to choose how they respond."Lurlene McDaniel’s novels are hard-hitting and realistic, but also leave readers with inspiration and hope. Her books have received acclaim from readers, teachers, parents, and reviewers. Her novels Don’t Die, My Love; I’ll Be Seeing You; Till Death Do Us Part, Hit and Run, and Prey.Lurlene McDaniel lives in Chattanooga, Tennesse.

I give this book 5 stars for the variety the stories had. It was very addicting too read... :) This author was spectacular. I will be reading more from this author.

I Love reading Lurlene books , can’t get enough ,of them. I just retired from Baystate Medical Center.in Springfield ,Ma. I have never read one of your books I didn’t like. They are so detailed. A alot of them are about Hospital Surroundings that keep me interested. I have never been a reader, because nothing ever capture my eye, Untill you. My favorite . Garden of Angels /book was fantasctic. I also did a garden of Angels. inspired by the Death of my younger sister. I made this garden for her, from a 24 ft pool ,to a beautiful Angel Garden.So many Angels, a little baby from the Nicu I worked at to 19years later a young man, I never miss a visit to the cemetary.I walk in the Breast walk for breast Cancer, name of my Team "My Garden of Angels" I have a lot of the flowers in the book and a even a garden gate ,everyone has their place. The republican and the mayor came by Mr. Sarno. the other booksthe two Sisiers."Mouring Song" reminded me so much of my Sisters."Mother Please don’t die". It was like i was taken care of my mother with cancer. It brought back many memories,"Baby alicia is dying"it was so real from me working in Nicu.I really think alot of research went into thease Novels. They really keep my inter. And to see how fast i read them ,I

could’t put them dowm. You need to write more. I read them all. Now there on my shelf with the Angels. Dottie (My Love for Angels)

Very good stories. Very sad and real but very good. They definitely make you want to stop and appreciate life more.
