Customer Reviews

After bought the Kindle version of this book, I find that most of the book cover Hobart only, no detail description about the other locations of Hobart. If you spend you time in Hobart, I think it is still ok, but not Tasmania..

Great book assisted us greatly on our recent self drive tour of Tasmania, it provided us with amazing ideas to see and do.

This one is a hard one to revies as it is a great guide for Oz, however it is huge, it weighs 2 lbs so really effects your luggage. Perhaps buy it and then razor cut out only the pages that apply to where you are going.
