Just moved to area over a year ago & this will give us a chance to see different places that we can include our dog. My husband gets excited every time he reads another chapter.

This book is amazing!! I've looked all over to find places to take my dogs hiking and this book made it so much easier. Now I can take my dogs on vacation with me and know exactly where they can go on trails and where they aren't allowed. Must buy for Hikers with dogs!

Hiking can be a fine pastime, and it can be even more so when done with man's best friend. "Best Hikes with Dogs: Central California" is a complete and comprehensive guide to fifty-five hiking trails throughout the central area of California. The hikes outlined are dog friendly, and give plenty of tips on caring for the pooch and preparing for the hikes so they are safe and therefore fun for both dog and master. A great gift for Californian dog lovers, "Best Hikes with Dogs: Central California" would do well to find itself in Californian community library pet collections.

We LOVE this book. We have found wonderful hikes that we can take our dogs on which we would not have found otherwise. Extremely useful. Our dogs all give this book 5 Stars and 4 Paws up!

Clear descriptions of trails, and very handy if you don't know the area well. Definitely worth buying. I have given it as a gift to friends as well.
