Synopsis

Change the Quality of your Travels to Portugal with this Amazing Phrasebook **** This Easy to Search, Easy to use Phrasebook Will Help You Communicate with the Locales - +1000 Common Phrases/Sentence Structures Included ****As an educator for more than 20 years, IÃ¢â ¬â„¢m a fan of teaching others. And there is no greater challenge than to learn a language and to use that tool when traveling abroad! I created this Portuguese Phrasebook as a way to increase your enjoyment when traveling to Portugal. Imagine what the ability to communicate with the locals will do for your travel experience, allowing you to connect with new and interesting people, or even live or study in places like Lisbon or Porto! In essence, itÃ¢â ¬â„¢s a journey to become more open minded about the world, discovering amazing new people in the process.In this book, you have the main tools you will need to develop pronunciation, phonology and sentence structure. The grammar section is clear, and holds all the references you will need when in Portugal. From general conversation, to accommodations, travel and ordering dinner, this is an invaluable resource to keep in your pocket and assist you in common situations you will find yourself in your travels. I invite you to read on and begin a fascinating learning experience. Here is a preview of what you will learnÃ¢â ¬Â¦ Specific situational references to help you out when eating out, traveling, requesting directions, shopping and much more!The fundamental vocabulary that will get you off your feet in no timebasic slang and other tips to interact better with the locals!Common phrases to use when traveling to Portuguese speaking countriesBasic grammar and pronunciation, so you will feel comfortable in your interactions in PortugueseOther resources to continue learning and improving your mastery of the languageDownload your copy today!

Customer Reviews

The Kindle edition is a mess. There are many typos, which are a disaster in a language book. For example "quarto" for "quatro" and "vinho blanco" for "vinho branco". The format translated very poorly onto Kindle. Since the book edition was well reviewed, I have to assume this was a Kindle-only problem.

I love guide books and this guide is one of the best I have read! I have Portugal on my bucket list so I thought I would go ahead and be prepared. This book is great to have along on your tour of the country. The author guides you through general conversation, numbers, directions and transportation. There are sections on eating out, hotels, and shopping. This is an excellent phrase book!!! If you are planning on going to Portugal, you must carry this book with you!

Wish phonetic pronunciation aids would have been included----- would have been of the utmost help!

Portuguese is one of the major languages of the world and I am very much interested in learning the same. The book is very well written and the author has made it easy to learn the language easily. Thanks to the author for sharing this book.

I was disappointed that the book did not include a short list of words for food, dishes, and drinks that one would likely see on a restaurant menu. It’s great to have the phrase for requesting a menu, but then what?

Do not buy. This is a self-published book; full size paperback (8.5 x 11 inches); all print; there is a pronunciation guide for each letter BUT NOT FOR THE PHRASES !!!!! You want a book that

phonetically spells out the pronunciation for each phrase, as they do in the Lonely Planet, Berlitz, and Rick Steves phrase books. Buy one of them.

This book die not help at all. If you need a quick phonetic pronounciation guide, don't buy this!! It explains basics and lists common-ish phrases but you'd have to do back and forth to figure out how to actually say it. No help at all. I ended buying a much better book at Barnes & Noble.Also, this booklet is not 'travel sized', more like a thin book. Makes it very inconvenient for easy access while traveling.

Very useful book. I used it last month in Lisbon. I managed to save a lot of money while in Lisbon. Great book.
