Customer Reviews

I bought this for my Kindle before leaving for Dublin. to be honest, it’s okay, but it doesn’t tell you anything that you can’t find out online or in any other guide.One of the places it recommends is the Temple Bar. Temple Bar is an Irish pub, but you won’t find an Irishman in it. It is full of tourists and even in November was packed. My husband and I went elsewhere.I had Fodor’s Dublin with me and it was far more helpful.

Dublin had been on my wish list for quite some time, so I was very happy when we decided to visit. My friend recommended me to get this travel guide in kindle. She used this book on her recent travel to Dublin. I booked 3 full days to see the place. This book makes it easy to plan our visit in the best possible way.

I used this guide religiously as I explored Dublin for most of a week. Visited many of the sites written about in this book. There were no disappointments.

Very good advice to prevent loosing your valuable time wandering around. Thanks

Waste of money...after going to Dublin, this information was pretty useless.

Some helpful tips

IÃƒÂ¢Ã â ¬Ã â„¢m a BIG fan of Antonio Araujo. IÃƒÂ¢Ã â ¬Ã â„¢ve downloaded a number of his books and even read two from my sisterÃƒÂ¢Ã â ¬Ã â„¢s Kindle library. His work is consistently good. Very detailed and well-researched, but nothing irrelevant. My favorite has always been the links to the official websites and social media accounts of each spot he suggests. They're very helpful when I want to really check out his recommendations and research about what other people have to say about, for example, a particular restaurant or spa. Five stars for this awesome travel guide to Dublin from me - again!

Dublin is another city that I want to visit someday. I want to drink beer and be merry. I do not want to see it like a tourist seeing the beautiful sights. I will be staying for a month which means that I can roam around the city and act like I am not a tourist and this book is telling me how not to be one. This is what this book is, a book about Dublin and act like a local.
