Ã¢â ¬â • Chicago Tribune"The best optionÃ¢â ¬Â¦ Color photos, maps, and diagrams bring the place to life." Ã¢â ¬â • The Philadelphia Inquirer

I think this is organized a bit confusingly. .... locations of restaurants and bars are not all on the same map. Great suggestions throughout; sometimes hard to tell if the list was a top 10 for BOTH QC and Montreal or just for one or the other, as the book contained all of the above. Great time to visit and great source which was up to date. Not keen on the organization of chapters, however.

This book is everything I have come to expect of DK Eyewitness Top-10 travel guides--concise, comprehensive, well written, and well illustrated. I will read as much of it as I can before starting my trip and probably will take it with me.

I love the Top 10 books. They have two maps, one to take with you as a pull-out and then a close up map so you can see attractions and exactly where they are located, foodie places, art museums, etc. There is no better information for a city than the Top 10's.

Always a helpful series. Arrived promptly.

Nice overview of the Montreal and Quebec City area. Easy to follow with nice recommendations for the cities. Also, nice size and easy to carry.

I did not like the layout. It mixed Montreal and Quebec City. Difficult to navigate with fairly useless information. i do not like this book.

Very helpful little book. The maps are great, if I got lost I would show them to a local and they could get me on my way!

Concise and well done. Prepared us well for the trip to Montreal & Quebec
