Love it! It helped me so much in my accounting class! I’m a accounting major and my teacher suggested all accounting major students to buy this. It has helped me greatly and I recommend this to anyone!

Good information. Very clear and to the point

Very clear and thorough. Wish I knew about these when I was taking classes, it would have been really helpful to supplement the text!

Borrowed a copy of this from the library. Helped me to understand the accounting terms. Decided I need my own copy.

Just started an accounting class and it’s coming in handy. There’s a lot of information in here!
