This. Is. HISTORY. The fact that there is a sports illustrated issue about the Chicago Cubs WINNING A WORLD SERIES in modern history is amazing. This issue contains so many photos of

their journey to the world series. It has iconic shots from the victory game and tidbits of information about the players. This is such a cool thing to have and a great gift to give to any Cubs fan. :]

I was a little skeptical about ordering this online because I was worried that it would arrive damaged (creased, wrinkled, etc.), but it came in excellent shape. As a Cubs fan from birth, how could I give this anything but a 5-star rating?!?

It doesn't get any better than this coverage of the Cubs' first World Series win in 108 years!

Enjoyed reading articles and reliving each moment of exciting 2016 playoffs and World Series games

Purchased this as a gift for my father for Christmas. He has been a Cub fan all his life of 80 years.

Wish was cheaper but it was a xmas gift. He loved it. In safe now!

Great way to remember the Cubbies World Series win.

The guys in my family love it.
