Customer Reviews

I had the pleasure of meeting the author at a recreation dept class she ran on what can all be offered in the Milwaukee Park System. If you get the chance to go see her speak, GO! Very engaging and informative like her book. Easy read, set up more like a fun and well informed field guide, its a great resource to explore your City and learn more of what there is to do for all seasons.

This book is a must for active Milwaukee folks! Filled with engaging ideas, photos, websites, and stories, it’s an easy way to find out about the joys of the outdoors in all seasons. I’m glad to discover the book in time for holiday gift-giving.
