She delivered with this book!!! Although I wish I could of read about what eventually winded up happening with Olivia, Montana, Nicole, and Montana's baby. Did they leave to Europe? Did he really leave Nicole?? What happened when they told hazel and the carters about them..if they even told them??? Omg!!! I'm literally going through withdrawals from this Carter & Freeman Family !! Noooooooo!!!! I need more!!! What am I suppose to read now?????

This book took me all over the place with my emotions. Montana Montana...We love you, hate you, love you again, and feel sorry for you. So many things to say about this book, but can't find all of the words. Just read it!

Kove was a great read each story line invites one to want to read more with hopes of the novel never ending. I love the ending more than just the alternative ending. I gave the novel a five star rating because the story lines earned it.

Kove was a great read...I couldn't put it down. It answered some questions that was lingering in the Carter Girls. I liked the alternate ending best.

And can't believe this is the end I got to find out what is going to happen to Montana and Olivia can't leave use hanging like this ...please tell me there is moreLOVE Your stories Desiree

I'm shocked and absolutely at a lost for words!!!!! You have to continue to read !!! Yes girl !!! You wrote this book!!

This was the perfect alternate ending they should be together and leave everything behindteam Montana and Olivia they belong together
