Synopsis

Founded in 1971 by Elizabeth Pepper, the art director of Gourmet magazine for many years, The Witches' Almanac is a witty, literate, and sophisticated publication that appeals to general readers as well as hard-core Wiccans. At one level, it is a pop reference that will fascinate anyone interested in folklore, mythology, and culture, but at another, it is the most sophisticated and wide-ranging annual guide available today for the mystical enthusiast.Modeled after the Old Farmers' Almanac, it includes information related to the annual Moon calendar (weather forecasts and horoscopes) as well as legends, rituals, herbal secrets, mystic incantations, interviews, and many a curious tale of good and evil. Although it is an annual publication, only about 15 percent of the content is specific to the date range of each issue.The Witches' Almanac features more than 140 pages of interesting and timeless articles about witchcraft, magic, herbalism, charms, spells, and related topics written by authors from the witchcraft and magical communities. The theme of Issue 36 (Spring 2017 - Spring 2018) is Water: Our Primal Source. Included are "The Coffin Ring," "A Beekeeper's Year," "The Margate Grotto," "Speaking in Tongues," "Poppets," and "Thomas the Rhymer."

I love this annual book. Fun reading throughout the year. It has a lot of different things. Short stories, astrology for your sign for the year. Moon cycles and a whole lot of fun things!I paid full price for this and this is my honest feedback.

a great collection of lore and facts. have followed this publication since 1970's and have every issue. Its a wonderful reference

Always a spectacular pleasure. This issue does not disappoint.I love the Witches Almanac.

Very lovely witches almanac. I appreciate that it includes information about a variety of traditions, including non Euro-centric magical traditions.

I purchase this every year that I can. This is the best almanac.

I buy one every year.. this is the best collectors books.

Good product. As expected, recommended...
