"In this story of dealing with emotional pain and letting go of the past, Zane concocts her successful formula of outlandish wealth, diva attitudes, and jaw-dropping sex acts." (Library Journal)Ã¢â ¬Å“Her plots are still as addictive as Olive Garden breadsticksÃ¢â ¬Â|Readers, buckle

up and enjoy a psychological ride.Ã¢â ¬Â• (Essence Magazine)Ã¢â ¬Å“I found this novel to be very encouraging because it shows that even when a person suffers through a great tragedy they can make it through to the other side when you are surrounded by the right people. VENGEANCE is a great story about acceptance, forgiveness and finding your true worth and being comfortable with it. Zane did a wonderful job in writing about difficult subject matters and showing there is always hope.Ã¢â ¬Â•Ã Â (Fresh Fiction)Ã¢â ¬Å“This story is engrossingÃ¢â ¬Â¦a great book with well-thought-out characters and plenty of action.Ã¢â ¬Â•Ã Â (Romantic Times, 4 stars) --This text refers to the Hardcover edition.

Anything Zane writes is amazing. This novel really gives insight into others lives whom may be perceived as different, but there are so many common disorders that Many of us can relate too. You are never alone, even when u believe u are and that’s why Zanes characters are so important. You never know what people could be suffering through every day from day to day. But no matter what I always believe that there is a place for us during such a tough journey. I have been waiting for you to write another Novel Zane for so many years so thank you !!! Please don’t wake me wait too long for number two :)

I have always enjoyed reading Zane books. This here is an eye opener to let us know that this is real disease but giving you a great story to really understand it. Big Ups to Zane for another great book!

I loved this book it touched on many different issues, mental illness, alternative lifestyles, revenge,

but most importantly it speaks about how it’s okay to seek help for mental issues..

This book here! One of the things that I love about this book, along with Nervous and Addicted, is that Zane addresses an all too real topic, and you learn something.Vengeance is hot, spicy, full of drama, and revenge. I was caught up on the first page, and I planned to read a couple chapters, and then go to bed. I looked up hours later, the sun was almost up, and I was finished with the book. I love it when I read a book and it takes me through a myriad of emotions, and this is THAT book. I laughed, cried, cussed (a lot), and I learned a few things about mental illness as well. To me, that is what reading should be about.In typical Zane fashion, the sex is off the chain hot, and will have you sitting there with your mouth stuck open, lol. I would definitely recommend this book to anyone and also for a book club discussion!

This book was great I love Zane and how she is extremely detailed in her story I have almost all her books and every one I have thus far is no disappointment great job you will forever be a favorite

This was a great story! A lot of moments had me tripping because chick was off the hook. LOL. I loved the ending, though.

friendsIt was a good book I can’t say normally it does not take me as long to get into your books but this one took me a few chapters.

Great book! As I was reading, it seemed to mimic components of my past, which kept me turning the pages. Fiction infused with the topics of abuse and mental health issues couldn’t be more compelling. Loved it!
