Synopsis

Ã¢â ¬Å“One of the loveliest, most exquisitely beautiful books IÃ¢â ¬â„¢ve read in a very long time. . . . I didnÃ¢â ¬â„¢t just read the pages, I lived in them.Ã¢â ¬Â• Ã¢â ¬â •Jennifer Niven, New York Times bestselling author of All the Bright Places Ã Â A beautiful love story for fans of Jandy Nelson and Nicola Yoon: two teens find their way back to each other in a bookstore full of secrets and crushes, grief and hopeÃ¢â ¬â •and letters hidden between the pages. Ã Â Years ago, Rachel had a crush on Henry Jones. The day before she moved away, she tucked a love letter into his favorite book in his familyÃ¢â ¬â„¢s bookshop. She waited. But Henry never came. Ã Â Now Rachel has returned to the cityÃ¢â ¬â •and to the bookshopÃ¢â ¬â •to work alongside the boy sheÃ¢â ¬â„¢d rather not see, if at all possible, for the rest of her life. But Rachel needs the distraction. Her brother drowned months ago, and she canÃ¢â ¬â„¢t feel anything anymore. Ã Â As Henry and Rachel work side by sideÃ¢â ¬â •surrounded by books, watching love stories unfold, exchanging letters between the pagesÃ¢â ¬â •they find hope in each other. Because life may be uncontrollable, even unbearable sometimes. But itÃ¢â ¬â„¢s possible that words, and love, and second chances are enough.

A book for those of us who love books. A book for those of us who are grieving. A book for those of

us in love. A book of friendships. A book about letting go. A book about the sea and it's beauty. A book about science and poetry. I CANNOT recommend this book enough. The prose and dialogue are masterful. Beyond masterful. Read this book.

This story is so beautiful and deeply moving. I found myself unable to put the book down until I had finished it. I would recommend this to anyone that has a love for books, words and true love.

I wasn't expecting to read this entire book in one sitting but I knew after the first few pages, I was hooked. I love this book. It is perfection. I love the Letter Library and how beautiful the author wrote about how magical books can be. I am a sucker for a used book with something written in it and that's what this book is all about. Leaving something for someone else inside a book. It is also about friendship, loss, and love. I just finished it but already want to read it again. Maybe grab some tissues before you start it.

THIS BOOK IS EVERYTHING. OMG. I've always believed that words are the most powerful things we have and this book proves that. Yes it's got your basic boy, girl love lost storyline but there's so much more to this story. There are so many powerful qoutes and it's literally set in a bookstore. The characters are avid readers who love words and believe in the power of them. I don't want to give anything away because I didn't know much going in and it made it all the better. All book lover should read this one at some point. I mean is there anything better than reading about people who love books a much as you do?

What did I love about this book? Everything! What do I wish the author had talked about? The Word of God, and how the Word of God brings life and joy, all the time, but specially if you are grieving. While I do not believe in reincarnation, I do believe that the Word of God has power over death.This is just a beautiful written book with a powerful message. Please take time to enjoy it!

What a beautiful young adult novel...what a beautiful novel, periodl! I loved every part of the this book--the beautiful writing, the layered story, the characters, the pacing. The loss/grief and heart of the book. The friendship/romance between protagonists, the side characters and their relationships, the parents, the bookstore hooked me. A truly satisfying read and I'm only sad that it ended. I plan to read it again someday, it was that good.

Pure perfection.

An absolutely stunning book about grief and loss and friendship and love. And the way life isn't always about the choices we make but the things that choose us. I highly recommend it.
