Synopsis

If you are not a church-goer and the traditional, devotional stories do not make sense to you but you are looking for an authentic spiritual experience or plan to travel to Jerusalem Ã Â - this book is for you. Based on a true story, Jerusalem Diary: Searching for the Tomb and House of Jesus is an adventurous journey of self-discovery in the Holy Land. After going through a professional and personal crises, Joanna joins two Australian men who claim to discover new sites that could be Jesus' home in Nazareth and his tomb in Jerusalem. As they visit different pilgrimage sites associated with Jesus, Joanna begins to challenge conventional ideas about the life of Jesus. Relying on Ã Â the Gospel of Mary Magdalene, the Gospel of Thomas and parts of the Urantia Book, she creates an alternative picture of Yeshua (Jesus). Ã Â She begins to see him as a young, rebellious and inspiring teacher who can offer inner healing and peace to a modern person. Recent Reviews: "This engaging book has everything the passionate-thinking person desires: intensity, intrigue, controversy. Thoroughly enjoyable and thought-provoking. A book for all seekers". -Mark Manolopoulos, adjunct research associate, Monash University Centre for Studies in Religion and Theology, and author of If Creation Is a Gift. "

Dr Joanna Kujawa is an author, traveller, and scholar. Her short stories and essays have been published in Australia, Canada, the United Kingdom, Germany, Malaysia, and Poland. You can visit Joanna's Facebook Page at: www.facebook.com/joanna.kujawa.author Or her website at: www.joannakujawa.com. You can also visit the Garden's website: www.friendshipgardenofjerusalem.com

This is a fascinating book with interesting insights about the history of this magnificent city and its present situation, the strange and passionate love that people share for the city. The reader moves with the author from skepticism to peace and appreciation of the city. The best feature of the book is that it reads lke a novel, very modern and sharply observant.

I came to this book as someone interested in the research and work of Steve and Martin, and was gifted with a beautifully written spiritual adventure. This is one of my all-time favourite books. No one else could have told this story with the depth, beauty, and sincerity that Dr Kujawa has. I cannot recommend it strongly enough!

I purchased the book at the suggestion of a close friend who stated she enjoyed it immensely. On downloading it I had intended to read a few pages now and then when time allowed. However, once I started reading this fascinating journey it was almost impossible to put down. I would recommend this book to anyone looking for a truthful, real life adventure. Jerusalem Diary Searching for the tomb of Jesus will be with me for a long time. Thank you Dr Kujawa for a great read.
