Synopsis

West Maui has been the site of rapid, drastic changes to landscape, communities, governance, and economy. This collection addresses the ways tourism both changed West Maui and how changes brought to West Maui made a tourist economy viable. Each chapter tells a story of the ways different communities experienced the transformation of West Maui from an agrarian area into one dominated by industrial tourism. While focused on site-specific histories of West Maui, this volume is of significant interest to tourism studies, regional and urban planning, and HawaiÃ¢â ¬Ëœi and Hawaiian historians.

Tourism Impacts West Maui is an excellent case study on the ways an area has been transformed into a world-class tourist destination. Significant attention is paid to the collaboration between political elites and large land-owners and their lack of regard for those most affectedÃ¢â ¬â ¢the workers. This volume examines changes in the landscape and in the occupations of West Maui residents. (Dick Mayer, Professor Emeritus, Geography and Economics, Maui Community College)Tourism Impacts West Maui brings together stunning essays that illustrate the settler colonial production of tourism, despite the ways that tourism is often presented as Ã¢â ¬Ëœinevitable.Ã¢â ¬â„¢ The essays provide us with incredibly valuable insights into traditional economies that predate tourism and challenge the artifices of tourism-driven Ã¢â ¬Ëœrestoration and preservation,Ã¢â ¬â„¢ honoring instead community-based restoration projects growing out of

practices of aloha Ã Â»Ã„Â•ina. Having grown up on Maui, I find this book speaks profoundly to all of us, telling stories of the unique wahi pana (celebrated places), cultural traditions and practices of the people of West Maui as well as sharing strategies with other communities across HawaiÃ Â»i working to protect the natural and cultural abundance of the land and the people from the devastating consequences of tourism and overdevelopment, allowing for more pono futures. (Candace Fujikane, co-editor with Jonathan Okamura Asian Settler Colonialism: From Local Governance to the Habits of Everyday Life in HawaiÃ Â»i.)

Lance D. Collins (Editor) Lance D. Collins is an attorney in private practice on the island of Maui. He also holds a Ph.D in Political Science from the University of Hawai'i at MÃ„Â•noa. He was the compiler and indexer of the 17 volume Proceedings of the Charter Commissions of the County of Maui (1966-2012). His research interests focus on the Philippines, American colonialism in the Pacific, and legal history.Bianca K. Isaki (Editor) Bianca Kai Isaki holds a doctorate from the University of HawaiÃ¢â ¬Ëœi at MÃ„Â•noa in Political Science for her dissertation, Ã¢â ¬Å“A Decolonial Archive: Asian Settler Politics in a Time of Hawaiian NationhoodÃ¢â ¬Â• and graduated summa cum laude from Hawaii's Richardson School of Law. Currently, she runs 78 groupÃ¢â ¬â ¢a research corporation whose name references innovations in Native Hawaiian and environmental protections during the 1978 constitutional convention. She also serves on four nonprofit boards, and lectures at the University.
