Synopsis

Science fiction meets murder mystery in this edge-of-your-seat thriller.The Lost Causes are five teens with serious problems and only one thing in common: people have written them off. Now theyÃ¢â ¬â„¢re thrown together in group therapy, with vague promises of healing. Their problems do go away when they drink the water their therapist gives them. But thatÃ¢â ¬â„¢s because itÃ¢â ¬â„¢s not just water ...Unknowingly, the teens have ingested a serum that gives them psychic powers, part of an FBI plan to find out who was behind the grisly murder that has rocked their small town.Ã Â Their new powers will help them uncover clues and follow leads that have eluded the authorities, and their outsider status gives them the perfect cover.Ã Â But the same traits that make them top investigators also make them vulnerable. As they close in on the murderer, they expose a much larger conspiracy that puts them directly in harmÃ¢â ¬â„¢s way and makes them wonder who Ã¢â ¬â • if anyone Ã¢â ¬â • they can trust.

Book Information

File Size: 5030 KB

Print Length: 344 pages

Publisher: KCP Loft (September 5, 2017)
