Customer Reviews

This does not tell you how to set up your Fire Stick like it says in the description. Waste of money and time. What a piece of junk!

Worthless

Ok

Didn’t offer any practical advise on how to setup Prime on the TV. It just went on about features that are out there.

Misleading. Information worthless.

This item arrived exactly as described and in a timely manner

Information was old and out of date and did not address the problem with getting Prime movies on Vizo TVs.
