Synopsis

Adaptive Learning | Powered by PrepU provides students with the practice they want and need Ã¢â ¬â œ at their own pace and based on their level of understanding. The adaptive nature of PrepU means that each studentÃ¢â ¬â„¢s experience is personalized and different Ã¢â ¬â œ so their study time is more effective and efficient, and their retention of course material and success rates increase.Ã Â Instructors will have a better window into their studentsÃ¢â ¬â„¢ performance Ã¢â ¬â œ at the individual and class level Ã¢â ¬â œ so they can identify at-risk students earlier in the course and monitor each studentÃ¢â ¬â„¢s progress, strengths, and weaknesses.Ã Â PrepU is a formative assessment, adaptive learning system Ã¢â ¬â œ geared to help students learn and retain course material as they progress, It provides a way for students and instructors to adjust teaching and learning as they are happening.This version ofÃ Â PrepU for Porth's Essentials of Pathophysiology is for 12 months of access through the purchase of a unique code redeemed via thePoint (http://thepoint.lww.com). That code will be shipped to you via U.S. mail within 3 to 7 days of your online purchase.

Series: PREPU

Misc. Supplies

Publisher: LWW; Fourth, 12 Month, Stand Alone edition (October 11, 2014)

Language: English

ISBN-10: 1469881705

ISBN-13: 978-1469881706

Product Dimensions: 0.8 x 5.2 x 7.2 inches

Shipping Weight: 0.8 ounces (View shipping rates and policies)

Average Customer Review: 2.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #74,020 in Books (See Top 100 in Books) #47 inÃ Â Books > Textbooks > Medicine & Health Sciences > Medicine > Basic Sciences > Pathophysiology #57 inÃ Â Books > Medical Books > Basic Sciences > Pathophysiology

Customer Reviews

The package came quickly, but it is a little overpriced

Total rip off. The book reps mislead my program on what was included with their book. So we (the students) were forced to buy a $300 book thinking the access code in that provided access to prepU

(no reason it shouldn't) but ended up having to spend an additional $180 for prepU just to do homework. This is flat out extortion. We shouldn't have to pay hundreds of dollars just to be able to do graded assignments.
