Baby's Song is a lovely story in rhyme that portrays the seasons of the first year in a baby's life. It also gives thanks to God for all of the blessings that have been given in each season. The lyrics are charming and whimsical: "Splash-a-kicky! Splash-a-kicky! Splish! Splish! Splish! God has made the ocean waves for my little fish."The illustrations are exceptionally beautiful. Done with colored pencils, they are so detailed and life-like that one cannot help but marvel at them. It is fun to see the age progression of the baby as she gets older in each season. On the cover of the book is the young baby. If you flip the book over, the same girl is pictured in the garden as a toddler.Baby's Song is perfect for sharing with toddlers and pre-school-aged children. I think it would also make a nice baby shower gift. I intend to get a few copies for my friends who have recently had babies. I shared the story with my children, ages four and seven. They thoroughly enjoyed the book. My daugher, an aspiring artist, was inspired to try her hand at duplicating the illustrations. I think this

book is a lovely additon to a child’s library that will be treasured for years to come.-Sherry EllisAuthor ofÃ Â That Baby Woke Me Up, AGAIN

The illustrations are amazing!!

Beautiful illustrations and classic repetitive text takes mom and child through the four seasons of the year. This book will become a bedtime and story time favorite that will be read over and over again. Perfect for any stage of early childhood as well as for young readers. Research shows that reading aloud to your child enhances their cognitive abilities.

Beautiful illustrations that can touch any mother’s heart! This makes a lovely gift for a new mother and one that can be read to her child. Great book for an early reader too! This book reminds us that babies are a gift from above.
