In photography, as in life, Shawn Laksmi approaches it in a holistic and natural way, striving to capture the essence of oneÃ¢â ¬â„¢s inner and outer beauty. With peaceful intentions she aims to bring meaning and purpose to every image. Using light, nature and spirit to document, awaken, and inspire. Shawn has worked with Buzz, Los Angeles, and Jump magazines and exploring the field of photography as producer, manager, photographer, and photo editor, and eventually found myself traveling the world with camera in hand, exploring Europe, India, Indonesia, and Australia. India is Lakshmi’s greatest inspiration. She has been published in National Geographic, the Yogi Times, Namarupa, and the Whole Life Times.
