Synopsis

The eight guides in the City Cycling Europe series are each devoted to a different city: London, Amsterdam, Copenhagen, Antwerp/Ghent, Berlin, Paris, Barcelona and Milan. Each compact volume features cycle-friendly neighbourhoods, itineraries, cycle maps and places to visit where cyclists are always welcome. Aimed primarily at those looking to take casual weekend breaks, there is also information for hardcore racing enthusiasts and special routes for those wishing to escape the traffic. Initially, all eight volumes will be released as a special edition boxed set.

Customer Reviews

Excellent, compact and very useful guide to seeing the sights in Copenhagen via bike. Also include good tips on biker etiquette, like signaling and what different hand signals mean. Nice maps of neighborhoods too.

Great book! So glad I discovered it. Book arrived promptly - thanks!
