Synopsis

Are you wishing for a better and simpler life where you can spend each day as you wish? RV expert Sunny Skye shows you how you can do exactly this, even if you donÃ¢â ¬â„¢t have much money.Sunny has been RVing since she was a kid, and sheÃ¢â ¬â„¢ll show you how to leave the American Dream behind for a more realistic and fulfilling way to liveÃ¢â ¬â •a simpler and less stressful life.Her book is not just filled with good advice, but also offers hope to anyone who wants to live on the road or close to nature but doesnÃ¢â ¬â„¢t have the money or know how to get started.Sunny currently spends half her time as a campground host near a national park in SE Utah. She spends the other half on the road with a menagerie of dogs and cats in a small trailer.This book covers the following topics:IntroductionSimplicityDo You Have the Nomad Gene?Should I Do This?Can I Do This?Making Great MemoriesThe RV Life Do You Have What it Takes to Full-Time?Is This Lifestyle for You?How Can You Tell if YouÃ¢â ¬â„¢ll Succeed as an RVer?Leaving Your Options Open/Know ThyselfFearSome Benefits of the RV LifeSome Drawbacks of the RV LifeHow to Get StartedGetting Free of StuffOrganizationGetting a RigPicking a Home BaseLife on the Road Is RVing Physically Difficult?Getting Sick or injuredWork and MoneyWhere Can I Park?Will I Be Safe?On Loneliness and CivilizationTraveling with PetsCommunications and The InternetWeatherFood and WaterPowerStaying CleanÃ Â Having An Exit PlanIf you enjoy this book, youÃ¢â ¬â„¢ll also like SunnyÃ¢â ¬â„¢s Ã¢â ¬Å“The Truth About the RV Life," "RVing with Pets," and "Tales of a Campground Host,Ã¢â ¬Â• also available here on , as well as "Any Road, USA: Living a Life of Freedom on the Road," by Sunny’s friend Bob Davidson.

Customer Reviews

My Wife and I have enjoyed reading all of her books on RV living. I think Tales of a campground host was our favorite . RVing with pets was also one that we loved reading and learned some great info. We will be retiring in 13 months and plan on hitting the road with three dogs. We know every day camping will not be perfect but in our travels hope to see some of those Sunny Skyes alone the way.

This information was good, but I was looking for more of a meat and potatos sort of book. Sunny spent quite a few pages describing who would suit the RV life, which was a bit much for me. I was looking for for a book that would describe how to find good places to park my RV, primarily where to find good boondocking places. She touched on that subject but I was left wanting more. If you are looking for a book to consider before you purchase your RV, this is a good choice. If you already made your decision to live the simple life, this book will leave you hungry for more.

I recently purchased a class b campervan. I work in the city and plan on living out of my van temporarily while saving up for a house if I decide to get one. No camp grounds or hook ups for me.....i intend on gettin by for almost nothing and lettin my checks stack up in the bank. This book will help give you a good understanding of what to expect if you plan on boondocking or dry camping. She explains common problems you'll encounter as well as the benefits. I feel more prepared now to execute my money saving plan

It's short, it has some good information, and teaches you some of the right questions to ask yourself. It's also, I guess, folksy. If you're looking for something that is information dense and no nonsense, this isn't it, but it's a fun read and short enough that the narrative structure doesn't get in the way.

This was the first of Sunny's little books that I read, and it sucked me right in! Her style is light and fun, but her attention to truth is evident in all her words. She paints an amusing picture of RV life, but also makes sure the reader understands the reality of daily life on the road, too. Thank you!

This book is what I've been looking for to get started full timing. Sunny explained everything and the cons to expect while Rving. Let you know if you can handle this or not by some examples is a big eye opener. I found out that I can probably handle the full timing by reading this book.

We're longtime RVers for vacations and such. But now we're working toward becoming Full-timers & Workampers. This was a great book to tell us new things plus remind us of things we knew but had forgotten.Can't wait to get started!Chris

Very well-written book about the pros and cons of RV living. The author writes from actual experience and shares her experience vividly.
