Synopsis

So What? The Writer’s Argument, Second Edition, teaches students how to write compelling arguments and explains why practicing argumentation is essential to learning and communicating with others. Practical exercises throughout each chapter reinforce this broader academic aim by focusing on the key issue of significance--helping writers answer the "So What?" question for themselves and their audiences. By showing students how their writing fits within the broader context of academic inquiry, So What?, Second Edition, encourages them to emulate and adapt the authentic academic styles, foundational organizing structures, and helpful rhetorical moves to their college classes and beyond.

Book Information

Paperback: 320 pages

Publisher: Oxford University Press; 2 edition (November 15, 2016)

Customer Reviews

"As I was reviewing this text, I kept imaging how well the "Consider This," "Try This," and "What’s Next" exercises would work. They are relevant and practical. Many composition texts suggest exercises, but more often than not these suggestions are tantamount to college-level busy work. So What?’s exercises are ready-made for the college composition course." --Eloise A. Whisenhunt, Young Harris College"The accessible and fun style is compelling, as are the overall structure and range of topics that initiate students into academic culture." --Greg Winston, Husson University "The book’s versatility is important. This is a text that Biology, Business, and English majors alike can not only can learn from but apply in their studies and in their everyday lives." --Tyler Fleming, University of Louisville "I mistakenly thought that this text would be just like They Say I Say, but I was wrong.

This text is more engaging, more provocative, and more comprehensive." --Kristi Costello, Arkansas State University

Kurt Schick is Professor of Writing, Rhetoric, and Technical Communication at James Madison University.Laura Schubert is Instructor of Writing, Rhetoric, and Technical Communication at James Madison University. She is also a faculty member in James Madison University's Writing Center.
