It isn’t the color in the picture, it’s a nice light baby blue and it comes with a separate little booklet thing with just the solo in it for violoncello, if you ask me I’m sure you could find a better printing of it where the notes aren’t so squished together. I might send it back and find another copy but it is a nice book and I would recommend it because it’s more affordable than others, try the hinrichsen and peters edition from London if you have bad eyesight

good price..past shipping..thank you,,,
