Customer Reviews

I bought this book used and everytime I opened the book or flipped the page it smelled like an ash tray of cigarettes.. it was pretty gross & distracting. Thankfully the class I needed it for was only 4 weeks long.

The book was in GREAT shape! I only paid $8.00 and I was expecting some wear and tear but it was barely used. It had no damage, writing, or highlighting. I was very pleased with the book.

I was an ok book, I wish it gave a little more info.

Worked well for the class I took.
