Customer Reviews

I really like the movie Star Wars , and so I decided to buy this book . It is of course very briefly describes each of the characters in the film . The book leads the interesting facts that are not in the film are indicated . The book is clear and interesting language. ÃƒÂ•Ã Â¡ool book

Superficial. Waste of time. Lack of character depth. I could right better character profiles.

Some odd typos. Seems like it was written by a lukewarm Star Wars fan.
