Customer Reviews

Pharmacology - Quick-Study Guide to Pharmacology and Medical ChemistryThis ebook is really superb. One of the best features of this ebook is functional table of contents which make your life easy. The text is intended for quick reading. It’s concise and excellent for review and for the first time study. Maximum input with minimum of timeloss!

They are using as their references WIKIPEDIA!!!In that case why bother buying this? Wikipedia is free. This is for laypeople.

Pharmacology - Quick-Study Guide to Pharmacology and Medical ChemistryThis ebook is the best because it delivers desired information in detail.
