Synopsis

It happens whenever wolf shifter Roni Axton is near Marcus Fuller: a crackle of sexual awareness thatÃ¢â ¬â„¢s intoxicatingÃ¢â ¬Â¦and deeply annoying. Marcus is a pack enforcer who oozes power, but Roni is lethal in her own rightÃ¢â ¬â •nothing like the flirty females who flock around him. Even still, his possessive gaze makes one thing clear. Marcus has singled her out for seduction, and he wants to make her sit up and beg.No matter how aloof and unfazed Roni acts, Marcus can tell she wants him. When a brutal attack by a jackal pack forces them to work together, itÃ¢â ¬â„¢s the perfect opportunity for Marcus to chip away at her defensesÃ¢â ¬â •until he falls into his own trap, completely unprepared for the intensity of their connection. Roni is the only one whoÃ¢â ¬â„¢s ever seen past his shifter charm and discovered the man hiding beneath it. And for Marcus, claiming Roni once will mean needing her forever.

Customer Reviews

I love Ronni, so much so! She’s Strong and weirdly quirky especially after everything she’s been through. Marcus is the fun loving ladies man and never takes himself serious. The two together I,

while I loved they were not my fav couple. I still loved them and the story and how the two because worked out t PAC situation. The ending had me a little scared then it was all good. Great read all in all!

Marcus came up with a battle strategy to win over Roni who is has a tough shell to crack. He was amazing! Seeing Roni's past come back made me really upset for her. Marcus was her rock and knew how to work with Roni to see him as a partner. I loved seeing they dynamic since they both have different personalities. I especially cried at the end. Suzanne Wright can make me feel 100s of emotions by one book and keeps bringing me back for more!

What a great story! It is well written, excellent storyline, amazing characters. There is a wealth of emotions in each of the characters in this series. But I particularly love those unexpected laugh out loud moments that this author sprinkles throughout her books, it keeps me coming back for more! Love the audio option.

Totally Devoured this ReadÃƒÂ¢Ã â ¬Ã Å“Dark InstinctsÃƒÂ¢Ã â ¬Ã Â• (The Phoenix Pack Series) Suzanne WrightThis read was worth the wait. The Phoenix Series and Suzanne Wright were a recommendation by someone on faceback and IÃƒÂ¢Ã â ¬Ã â„¢m really glad I give it a try. Turned out to be a good little series. I actually love SuzanneÃƒÂ¢Ã â ¬Ã â„¢s unique writing and storytelling. Makes for good entertainment in a book. She has a way of incorporating humor, snarkiness (is this even a word LOL) badass females and hot hot Alpha Males and even some taboo subject content. What can I say the reads are that good.Dark Instincts revolves around two main characters Marcus and Roni. Both emotionally damaged and both handling their damage differently. Marcus is a hot male with a smooth personality that will melt any femaleÃƒÂ¢Ã â ¬Ã â„¢s panties. BUT when it comes to emotional commitment or commitment period that is not his thing. Roni also emotionally damaged and going through a guilt trip because of an incident that happened to her when she was younger and her big brother Nick ended up in juvie because of it. She has an overbearing, over protecting, condescending mother and a very overprotective brother in Nick. RoniÃƒÂ¢Ã â ¬Ã â„¢s a feisty, independent, strong no holds bar in your face Alpha who definitely is socially awkward. When a conversation starts to annoy her she will come up with some random fact spout it off and leave the person speechless. She had me cracking up more often than not. Then thereÃƒÂ¢Ã â ¬Ã â„¢s the famous lollipop, gotta love her.When there was an attack on Shaya, Kye and Roni and they tried to steal Kye (son of the Phoenix Alpha

Couple) but foiled by Roni all hell breaks loose. ItÃƒÂ¢Ã â ¬Ã â„¢s here that you first realize the attraction Marcus has for Roni. The two packs Phoenix and Mercury joined their forces together and went after the JackalÃƒÂ¢Ã â ¬Ã â„¢s responsible. Teaming up Marcus the Enforcer for Phoenix Pack and Roni the Enforcer for the Mercury Pack had Roni tail spinning. Especially since she had been fantasying about the hot Phoenix Enforcer. She knew she wasnÃƒÂ¢Ã â ¬Ã â„¢t his type and she didnÃƒÂ¢Ã â ¬Ã â„¢t want emotional ties but there was just something there. Every time Marcus stared at her the atmosphere became electric.Marcus was a predator and Roni was his prey. He wanted her and he would have her. Marcus being patient and not trying to dominate and possess Roni he slowly started to break down her defenses. Actually unbeknownst to him she was slowly breaking down his. Roni was the only person that saw through MarcusÃƒÂ¢Ã â ¬Ã â„¢s faÃƒÆ'Ã Â§ade and saw the real man. They were so locked up emotionally they couldnÃƒÂ¢Ã â ¬Ã â„¢t feel the mate bond. They suspected they were true mates, their wolves knew they were true mates but their human side fought it. When they decided to take their relationship further and did finally mate, the bond didnÃƒÂ¢Ã â ¬Ã â„¢t totally kick in. It wasnÃƒÂ¢Ã â ¬Ã â„¢t until the near death of Roni that they both totally let go and admitted they needed each other that the last barrier was broken and the bond completed. What a great story and I was so into both Marcus and Roni and loved the way their story ended. 5* Suzanne canÃƒÂ¢Ã â ¬Ã â„¢t wait for the next read.

There were a lot of characters I don't remember. I guess reading so many other books in between this series (because they take so long to come out), you lose the essence of the supporting characters. I personally do not care for man sluts in books. I understand the males are not virgins, but I think it still can be written tastefully where the reader can get through it. That being said, Marcus was actually a likable character in this story, that was unexpected. One problem was, it seemed like every turn Roni made in the story, she bumps into someone Marcus had sex with, whether it be male or female. And of course the females were happy to let Roni know they've had him. I must say that both Marcus and Roni handle those situations admirably. I like Roni. She's strong and capable and her attitude is actually endearing. I feel there is always a thin line between making strong heroines and you either love them or hate them, there is no in between but the author nailed this one. On another note, the sex is rough but I guess when dealing with dominant wolves that comes with the territory. I hope Ryan gets a story soon, he intrigued me in this one.
