Stephen Davison has been a road racing fan since he attended his first race in 1974. Described by MCN as 'the world's leading road racing journalist', he is the author of the bestselling books Joey Dunlop: King of the Roads, Beautiful Danger, Ragged Edge, Hard Roads, Flying Finn, Between the Hedges, John McGuinness: TT Legend and Road Racers. Davison has been the recipient of a number of photographic awards, including Northern Ireland Sports Photographic of the Year and Northern Ireland Press Photographer of the Year. He is the joint owner of the prestigious photographic agency Pacemaker Press. Follow Stephen on Twitter (@sdbikephoto).

Stephen Davison takes stunning photographs of motorcycle road racing. If you are buying your first (or only) book of his photographs - make itÃ Â Hard Roads: The Essence of Road RacingÃ Â orÃ Â Between the Hedges: A Celebration of 40 Years of Road Racing. EvenÃ Â Flying FinnÃ Â has more 'wow!' photos than 'TT Legend'. There *are* several excellent pictures here, but perhaps John's riding style is more efficient than spectacular, or maybe Stephen had better luck photographing Martin Finnegan.Also there are several double page photos that you cannot view

properly because the book doesn’t open completely flat.You will like this book if you are particularly interested in John McGuinness, or if you are collecting all Stephen Davison’s books.

A fantastic book, and I was lucky enough to get John to sign it for me at the Island Classic meeting at Phillip Island (Australia) in late January 2014.Amazing photography. I have several other books by Stephen Davison ("Between the Hedges" and "Ragged Edge") and he is a photographic genius.Lynda BlairNew Zealand

Great book. Perfect Chrissie gift for a fan.

Too many photos, and nor enough about John’s life and career.

Could have more depth to the writing and story.

Interesting read, John is an absolute legend. The text needs to be tidied up as there are several glaring spelling and grammatical errors that make one feel that the author/editors didn’t bother giving it a second read.
