Synopsis

Focuses on values and the historical impact of socio-economic structures Ã Â Understanding Social Welfare: A Search for Social Justice is presented in an organized, comprehensive, and scholarly manner, including social policy concepts. It is accessible to students and helps them acquire the basic tools for understanding, analyzing, and evaluating social welfare policies and programs. This text focuses on the impact of social structure on peopleÃ¢â ¬â„¢s lives, emphasizing the current concerns of diverse client populations and the search for social justice. It places U.S. welfare in philosophical, political, economic, and international contexts, and includes the latest discussion of policy issues related to gay men and lesbians. Ã Â Ã Â A better teaching and learning experience This program will provide a better teaching and learning experience--for you and your students.Ã Â Here's how: Improve Critical Thinking Ã¢â ¬â œ Challenges readers to make their own decisions as they encounter policies and programs with enhanced knowledge and analytic skills. Engage Students Ã¢â ¬â œ Presents the historical evolution of social welfare and focuses on issues, trends, and conflicts in the context of influential societal developments and values. Explore Current Issues Ã¢â ¬â œ Includes the latest discussion of policy issues related to gay men and lesbians. Support Instructors Ã¢â ¬â œ An InstructorÃ¢â ¬â„¢s Manual and Test Bank, Computerized Test Bank (MyTest), Blackboard Test Item File, and PowerPoint presentations are included in the outstanding supplements package. Ã Â

Customer Reviews

Ralph Dolgoff is a professor at the University of Maryland, Baltimore where he also served as Dean. Previously he served as acting dean and associate dean at the Adelphi University School of Social Work, and as Senior Program Specialist at the Council on Social Work Education. Dr. Dolgoff is the author of Introduction to Supervisory Practice in the Human Services and con-author (with Donna Harrington and Frank Loewenberg) of Ethical Decisions for Social Work Practice (9th edition), two editions of which have been translated into Korean and Chinese. He has published widely on social and welfare services, ethics, social policy, and social work education. Dr. Donald Feldstein is the former executive vice-president of the Council of Jewish federations. He had a distinguished career in Jewish Communal Services and in social work education. He is the author of numerous monographs and articles in the previously mentioned fields.

Book was in good condition

I've used this book to Teach and introductory class. Only complaint - on Kindle it is a pain in the neck - can't adjust the print size, etc. It did work fine on my computer, however.

I had to apply this book for my sociology class. From front to back the materials were engaging. Dolgoff and Steinfield (2007) provided a great comprehensive perspective of social welfare. All information was easily read and flowed smoothly. The vital thing is that the book is worth keeping and the information can be applied to world circumstances. The book provides a great understanding of the functional, conflict and interactionist perspectives into social welfare.

This textbook was in great condition when it came to me! The person who had it before had written notes in the margins in pencil, and since they were helpful I didn't erase them. This textbook will hold up for my whole career!

it was ok

just fine

The book came very fast and I was amazed at how well it looked. With the exception of one of the corners looking slightly bent in, it looks brand new.

I bought this textbook brand new because I needed the card with the online access code. Wen I received the book, the card with the access code looked like it had been ran through a paper shredder. Very disappointed..
