Synopsis

"New favorite author. This author is incredible and her books are fantastic. They are riveting. There are many mornings I don’t want to get up for work because I’ve stayed up so late reading her book. She’s now one of my new favorites.""Holy Moly!!!! One of the best series I’ve read in a long time! I can hardly wait for the next book. FANTASTIC!!!! ""I have been a reader all my life and always have my favorite authors. Every once in a while, I find a new author that engages me so much that I don’t want to put the book down. This series is one of them. It is not a stand alone series of books, each one builds on the prior ones. So far, another great thing about this series is that I don’t need to wait a year for the next book to hit. Hats off to I.T. Lucas for bringing your love of writing to those of us who love to read." When the rescue team returns with Amanda and the chained Dalhu to the keep, Amanda is not as thrilled to be back as she thought she’d be. Between Kian’s contempt for her and Dalhu’s imprisonment, Amanda’s budding relationship with Dalhu seems doomed. Things start to look up when Annani offers her help, and together with Syssi they resolve to find a way for Amanda to be with Dalhu. But will she still want him when she realizes that he is responsible for her nephew’s murder? Could she? Will she take the easy way out and choose Andrew instead?

Dark enemy Captive continues Amanda and Dalhu's star-crossed love affair. While imprisoned in the clan stronghold, Dalhu learns that Amanda is Annani's daughter and loses even the tiny spark of hope he was clinging to that Amanda'll find a way for them to be together. They'll never be allowed near one another. But Annani enlists Anandur's help and the two of them arrange for Amanda to see Dalhu behind Kian's back. There is a very hot scene that takes place in a bathroom, and for a while it looks as if things will work out between Amanda and Dalhu, but Kian makes sure to blow them apart by forcing Amanda to acknowledge that her lover is her nephew's murderer. Amanda is torn between wanting Dalhu and despising him, and she considers giving Andrew a chance.Meanwhile, Annani wants Kian and Syssi to have a grand wedding, the first ever for the clan, and she shoots down all of Syssi's objections. At first Syssi's reluctant, but when she realizes that Kian is as enthusiastic about marrying her, if not more, as his mother, she accepts. Now all she has to do is plan a wedding for six hundred Immortals in less than two weeks and figure out what to do about her parents. But Syssi's worries are of the happy kind, while Amanda's seem insurmountable. Could she ever be with the man who ordered her nephews murder? I guess we'll have to wait and see how she solves this problem in the next book, Dark Enemy Redeemed.

Dalhu and Amamda... a match made in Heaven! There could not have been a better match up for her than this strong immortal male, regardless of the fact that he was a Doomer! But even as a Doomer I had hope for him because his inner-most being didn't seem to fit the concept of what the Doomers were. He was not mindless and was not a drone, even thought he had to appear to be. I loved the fact that he had a plan to escape his lifestyle even before he kidnapped Amande. He was just bidding his time...Amanda would almost seem to be a hopeless tramp...but even she was not as shallow as she first appeared to be. Instead she was a sensitivewho hid who she was. Not the females faults that every immortal male surrounding them were relatives! Sheesh! So, getting their tramp on was the only thing left for them to do... Hey! What is good for the goose is also good for the gander! But our ladies have redeeming characteristic that make me truly like them...Dalhu and Amanda... I LOVE IT!! I am looking forward to reading more of the series... I have already ordered the whole set. Looking forward to the release date for # 10...Nuff Said!

I happen to really love this series, but this book was simply too short! I don't normally complain

about the length of a book if the author has me fully pulled in, but if I am simply reading half the story, I have to mention it. I absolutely could not wait for the story of Amanda, but please give me the story and not bits and pieces. The author has some amazing twists on one of my favorite subjects, Vampires, but chopping it all up into multiple books is losing me. So why the four star rating? Every single character IT Lucas breaths to life is one you can't get enough of. I have not been "introduced" to a character that has been created in this series yet that I didn't want more of. Amanda gets five stars and chopping stories gets three, four star review created.

I love all things paranormal and this series certainly fits the bill . There are no disappointments and the stories are very well woven together . They seem to be written from a few different points of view . I personally would recommend it to anyone who likes and enjoys all things paranormal :) A satisfying read in all , so five stas from me .

Amanda knows her brother won't let her anywhere near the Doomer he hates, yet she wants to see if what she felt in the cabin is deeper than just an attraction between two immortals. But the only way she'd be able to visit Dalhu is to ask for her mother's help. Annani doesn't disappoint. In this book Annani plays a larger role, meddling in her children's lives (in a good way) and helping solve the problem of the men from Dalhu's team. (They know about Amanda). But some problems are too difficult for even the Goddess to solve. Can't wait to see where it all leads.

Read all of the books in the series! Waiting for book 6! I. T. Lucas is new to me but she is definitely on my list of great steamy sex scenes with a twist of paranormal adventure, I'm 45 and not afraid to say I love this genre of books!

I have a new best friend. Love the books the only thing is the divided into different part I would to be in one event if I pay a little more. I recommend for any one who want a men to so into you the no other women can take you place.
