Customer Reviews

The village life Kambi ya Simba's youth document is at once ordinary and surprising, with dreams both wide and narrow. -- www.allafrica.comThis must-have book is perfect for those seeking high quality, easy flowing, multicultural materials to broaden minds. -- VOYA, August 2006

I found this book at a National Youth Leadership Conference. My daughter is going on a trip with a group to Tanzania and it was the perfect book for her. It is short, contains beautiful color photos, has a map of Tanzania, and even has a glossary of Swahili words at the back. I am odering 15 more for the other youths who are going on the trip. Wonderful book!
