Customer Reviews

So needed for upcoming semester, came in a complete package including the additional PrepU access. Just in time for me to study weeks in advance.

Two-volume set makes it easier to carry only what I need; PrepU code was great for reviewing content!

Came with everything listed: Textbook + PrepU. The 2 volume set is much more convenient for carrying.

Did not come with prepU as sold and i need it for class!! help!

DID NOT COME WITH PREPU ACCESS AS ADVERTISED!!!

I finally got this book a day late, but it came with both volume and The preU so glad

I did not receive the access code for PrepU like it was advertised.

perfect
