Customer Reviews

If you and your partner are looking to put some zip back in your sex life, this is a good book for you.

Each of the 50 positions presented here has its own name, the pros and cons of that position and are illustrated with flesh-colored generic male-female mannequins. Positions are categorized as to standing, sitting, lying and oral sex. The explanations are written in straightforward, matter-of-fact language. The tone, most of the time, sounds almost like a medical journal. If two partners sit down to read the book together, I guarantee they'll discover something they'll want to try! This book is a guide to better, more exciting sex!

This book contains demonstrated strides and systems on the best way to entice and fortify your accomplice for an elevated feeling of common satisfaction and investigating and testing more current methods for wild sexual joy. In this book, you can read and figure out how to stir warm in your accomplice and to liven up your affection making movement. You can explore different avenues regarding new procedures of animating a sex drive, by touching, gnawing, kissing, sucking and embracing perpetual energizing sex positions! These will be the exercises to experience most extreme arousing thrill and your accomplice will likewise feel massive satisfaction.

Awesome and impressive sex tips! I was looking for a way to spice up my relationship and found this book! It contains a wide variety of different positions to spice up your sex life with your significant other. This book provides a comprehensive description of each of the positions and a guide on how to maximize pleasure. I highlysuggest this book for other couples who want to experiment in the bed room! Your significant other will thank you for buying this book!

To have a more happy and exciting relationship, sex is an essential thing to married couples. This book will help couples on how they will make their life as best as they wanna be. While reading this book, my eyes became more open and provide me awareness about this. Such illustrations is a good idea to more visualize what it looks like. It is a comprehensive book. I highly recommend it to couples!

This is a captivating aide about sex positions. It discussed some incredible subjects, for instance, having better sex and a couple of positions that will make your associate more fulfilled.What I found in the book was in reality extremely supportive and sufficiently captivating to keep me occupied with understanding it. This book will give you a few hints on the best way to make your sex more fun and extraordinary. I exceedingly prescribe this book!!!

Good sex is one of the most key factors for the success of any relationship and this book is a sure shot way to achieve that goal. It covers absolutely every section of the sexual experience from the foreplay until the very end. The book is full of some very interesting tips which will definitely make you curious.Overall, I highly recommend this book.

People who are not open minded may think this book is "Rated" but for me this book is very helpful to couples who want to spice up there relationship. With this book, it help you to boost sexual pleasure with your partner. There are different sex position in this book that you can apply with your partner.

A very interesting book designed to build up one’s sex life and I found neat tips in this book. The biggest knock I have with this book is the lack of pictures that would show me and my significant other the movement and positions. Other than that though it’s a solid read.
