Synopsis

Book by Daniel C. Harris

Book Information

Paperback: 200 pages

Publisher: W. H. Freeman; 5 edition (May 4, 2012)

Language: English

ISBN-10: 146410641X

ISBN-13: 978-1464106415

Product Dimensions: 8.5 x 0.4 x 10.8 inches

Shipping Weight: 14.4 ounces (View shipping rates and policies)

Average Customer Review: 3.6 out of 5 stars 4 customer reviews

Best Sellers Rank: #210,213 in Books (See Top 100 in Books) #54 inÃ Â Books > Science & Math > Chemistry > Analytic #802 inÃ Â Books > Science & Math > Chemistry > General & Reference #858 inÃ Â Books > Textbooks > Science & Mathematics > Chemistry

Customer Reviews

Book by Daniel C. Harris

All the odd problems worked out as promised. I believe there could have been better explanations for the answers and references to the part of the book with the needed information. But all in all I like most of the format. However I have only had the book for a day so far.

When my wife opened up the package a bunch of junk fell out. it looked like someone had stuffed the book inside a vacuum bag.my wife sneezed and coughed for hours.

It was exactly what I expected and paid for. I am very satisfied with this purchase.

As a student this is a must! It explains things, whereas the book only has answers. I always prefer to have a stepwise answer so I know where in the problem I went wrong.
