Customer Reviews

I have been reading The Naked Nurse’s writings for quite a few years and I must say you will not be disappointed with these poems! She has that special talent to pull you into her world of erotica from the start. A great book to pick up and share with that special someone in your life, But be warned tho..... Your water bill will go up!!

My hubby and I read these lovely poems together and it definitely heated things up! I’ve been

reading blogs and erotic short stories from The Naked Nurse for several years now and I'm always pleased. I highly recommend this book. It will leave you breathless.

I was looking for something fun and romantic. Nothing over the top, complicated or too edgy. The book walked a fine line between erotic and enticing and purely romantic. it was an easy read with reasonable length pieces that made for nice night stand reading before bed.

Oh dear, I am so happy I found this book. I am enjoying every morsel. It's a great read for romantic story time with your sweetheart. I can't wait to see what else The Naked Nurse has written. Oohlala, fun stuff ;-)

I bought this as a gift for someone with little time to spare and it came just on time for the occasion.
