Customer Reviews

This book had me sitting on the edge of my seat from beginning to end. There were family secrets, lies and deceptions, serial murders, an unexpected death, budding love, loss, followed by more love, what more could you ask for? So many twists and turns it'll make your head swim. You don't know who the bad guys are, or who the good ones are, until the very end. You might think you do, but if you're like me....you'll be totally wrong.I loved every part of this book, except the ending. I thought it was a bit rushed--- and even though we got somewhat of a HEA--- it left me with a few unanswered questions and wanting more.

This story has so many twists and turns that it is difficult to know who the good guys are and who

the bad guys are. Well written and grabs the reader. Hard to put down till done. Definitely recommend reading this story.

LOVE WESTERNS, AND THIS ONE HELD MY ATTENTION RIGHT THROUGH TO THE END.
