Is your son on his way to becoming a good man?The teen years are a vital stage for your son. But these years can also make a mom feel like she has lost influence in her son’s life. How can you be sure you’re doing everything you can to help your son grow into a mature and responsible adult?In That’s My Teenage Son, you will find the encouragement and wisdom you need to help your son become a man of character. Parenting expert Rick Johnson teaches you aboutthe emotional life of your boywhat changes are taking place in his bodyhow to help him develop healthy sexualitywhat boys fear mostwhat traits he needs to learn to grow into a good manhow to communicate with himhow to positively influence his spiritualityThe teen years can be tumultuous. With the understanding gleaned from this insightful book, you can positively influence your son’s life--in a way that will last him a lifetime. "This excellent book will help you understand why your son is acting the way he acts. Rick Johnson gives you great insight into the inner workings of boys’ brains and bodies. I highly recommend this book."--Jim Burns, PhD, president, HomeWord; author of Teenology and Teaching Your Children Healthy Sexuality"The singular issue of our time is a deficit of real men. In this powerful book you will find the prescription for authentic manhood, written by a real man. Moms can take hope as they find help and insight into helping their boy become the man

he is intended to be."--Tony Rorie, founder/CEO, Men of Honor/Ladies of HonorRick Johnson is the bestselling author of That's My Son; Better Dads, Stronger Sons; and Becoming Your Spouse's Better Half. He is the founder of Better Dads and is a sought-after speaker at many large parenting and marriage conferences across the United States and Canada. To find out more, visit www.betterdads.net.

I love my son so much but when he became a teenager he changed a lot. I didn't understand what happened to my sweet loving boy. This book help me understand the changes a teen boy goes through as he goes through his teens. This book really help me understand and learn more about my son and the changes taking place in his mind and body. My son and I had so much confrontation but after I read this book I was more able to understand and learn how to coop with his changing self. I really recommend it to all those single moms out there struggling with teenage sons. It's a lot harder when there is no father figure in the house as in my case. Don't give up on your son, read the book and learn to understand his changes. It makes a world of a difference.

So far I love the book! Wish I knew when I bought it that this was the second to his first book. Love how a male dad is the writer...

I'm reading this book it very good and helpfull for teen boys how you deal with him .

The book is an easy read and well written with very helpful insight into the habits of teenage boys. This is a must read for single moms trying to understand what their sons are going through and what help they may need to reach their potential and lead healthy lives.

every mother and also the fathers should read this book excellant reading

Terrific book...good advise!

This book is a great read for parents of pre-teens and teens. It discusses the importance of how and why teenage males behave in certain ways. The book addresses this and provides insight to help parents understand and help guide their teens through this time.

I have really enjoyed reading this book a few chapters at a time. I have applied many of the techniques for communicating with my two teenage sons. It has become a joke around the dinner table about the "next topic" ! It has brought laughter back to our dinner table! I am thankful!
