Synopsis

What does the Bible really say about divorce and remarriage?Ã Â Are you unclear how the Bible's directives about divorce and remarriage apply to contemporary conflicts? You might be looking for solid biblical counseling for your family, friends, or small group. Maybe even for yourself.Ã Â With its high view of the authority of Scripture and God's mystical, one-flesh union called marriage, this in-depth study respectfully examines hot-button topics relevant to both husbands and wives who have suffered the heartbreak of betrayed marital vows. Ã Â Ã Â Who does God see as the innocent spouse?Ã Â What are legit biblical grounds for divorce?Ã Â Did Jesus contradict Moses about divorce?Ã Â Are abandoned Christians free to remarry? Ã Â Whether individually or as part of a small group Bible study, dig deep into what Scripture really says in its pertinent context and you might just be surprised at what you'll discover: the empathy of God's heart for the innocent spouse.Ã Â STRAIGHT TALK BIBLE STUDIES provide balanced counsel to those seeking to apply insights from God's Word to contemporary Christian living. Book One of this series: Divorce - Remarriage and the Innocent Spouse focuses on how the Scriptures speak to marriages in crisis, reconciliation, biblical grounds for divorce and remarriage, and why God is so concerned not only with preserving the marital covenant, but also with the plight of betrayed husbands and wives. This book addresses marital abandonment issues such as neglect, adultery, physical abuse, emotional abuse and cruelty, criminal immorality, and desertion. Ã Â Book Two of this series: How to Spot a Wolf in Sheep's Clothing: Vetting Christian Relationships is geared primarily for singles seeking faith based, intentional dating relationships. Workbook style applications make both books in this Bible Study Series suitable for individual or group Bible study.Ã Â Click above to start reading Divorce and the Innocent Spouse now!

Customer Reviews

Divorce - Remarriage and the Innocent Spouse by Christian Keel is a great, well-balanced perspective for anybody experiencing divorce, or who knows somebody experiencing divorce. Keel is correct in thatdivorce, while prevalent in our society, is rarely discussed and isregarded as something to be kept quiet. The advice mixed with Biblicalreference and true accounts of failed marriages helped me understand the shame and grief caused by divorce, and why people strive to keep thispain hidden. I believe this book is an excellent resource for Christians going through the trauma of divorce, with great advice on how toreconcile their hurt with their faith and move on with life. It can also be useful for private study, or in support groups. Keel offers awonderful, nonjudgmental perspective on a painful topic. I highlyrecommend this book. Five Stars.--Readers' Favorite, excerpted from Sherri Fulmer Moorer's Review

This book has proven to be a great asset in dealing with marital betrayal and knowing what the Bible says about the topic. I appreciated the word studies of Hebrew and Greek to look for the original writer’s intended bu the original writer in his original language and that the entire Bible is consulted in the his important topic. This was so helpful to me that I have purchased the paperback version as well as the kindle version. Thank you.

There is much confusion and often destructive legalism surrounding the sensitive subject of divorce in the Christian community. Ms Keel shines revealing truth and light on God’s Biblical intent and purpose. She thoroughly reveals His extraordinary love, grace, and justice. Important read for all.

Very helpful if looking for confirmation on making a decision in marriage troubles. Also clearly references bible verses, encourages prayer and hearing from God in your personal situation. Not a final solution but definitely helped me.

Gave this to my friend who’s husband cheated on her and abandoned her. Very heartening and

helps to heal and understand

This book puts into perspective the biblical history of divorce and how it relates to today especially when adultery is involved.

Good reading but I found the book a little repetitive in parts.

This book was helpful as I was struggling with feeling I was equally responsible for my failed marriage - despite the adultery, lying & deceiving, & dessertion on behalf of my spouse. The biblical principles presented helped me put what happened into perspective & my feelings of helplessness ceased. This author doesn't make anyone into a good/bad guy. He presents the facts of how the Lord views divorced believers, the repercussions of breaking a marriage covenant, and how man-made rules went wayside. If you are struggling & feel divorce is "wrong", reading this book may help clear up your apprehensions & assist you in moving forward. Leaders in the church would also benefit as their counsel is often sought before & after divorce.

This is a very difficult issue to address, especially in the Church. You can find scripture to support pretty much whatever you want. I appreciate the amount of groundwork the author has put into building a biblical case for divorce. There's a lot of going back to the original text to see the meaning of the words and helping us understand the culture when these things were written. She gives a clear difference between interpreting scripture from the "Letter of the Law" (which is where the pharisees were coming from) verses seeing it from the "Spirit of the Law." (were Jesus was coming from.) in order to protect those who were suffering from the hardheartedness of mankind we understand why God Himself endorsed divorce. After all, He divorced Israel because of her adultery. The book makes it pretty clear as to what are the biblical grounds for divorce and what aren't. It's written with clarity to putting the truth out there for those who are needing direction for such a big decision. I would highly recommend this book for those who are struggling with this issue. So many are staying in abusive situations because they don't know what God is saying to them about their situation? it's especially hard when the church is telling you it's God's will for you to stay. Is that really what He is saying? This book will help guide you to finding out the answers you need to make the decision as to stay or go.
