Synopsis

Do you ever find yourself wondering . . . Is it actually possible to know, beyond the shadow of a doubt, that I am going to heaven? If you say that my salvation is "eternally secure" and that I can never lose it, does that mean that I can commit any sin and still go to heaven? How can an understanding of "eternal security" make a difference in my Christian life? With the wisdom and skill of a man who has personally wrestled with these questions, internationally-known pastor and bestselling author Charles Stanley addresses the age-old issue of grace vs. works in this compassionate, straight-forward book. With questions at the end of each chapter, Eternally Secure is an excellent choice for individual or group study. "I know from experience that until you settle once and for all the question of whether or not you are eternally secure, joy will elude you. Therefore, it is my prayer that God will use this book in your life and that in the very near future you will be able to face life with the confidence that comes through knowing you are eternally secure. Finally getting this review done ...the question that will consistently come up during the Christian life

...am i saved even though i did ...?..or will i go to heaven if i do ...???and dont have time to repent. . ???..honestly this question really can make a normal Christian person nutty with fear ....we love our AOG church dearly and love our history with the denomination but this and many others will literally turn your Christian security in jesus to ..if i mess up and dont have time to repent. .well....you never know you could actually go to hell even though we have lived all our life for jesus but that one little mess moment of weakness got ur behind on the barby ...i say BULL PUCKEY. ..how silly that we think that little of God that he being our father is just sitting there with his finger on the button waiting. ...with a watch .. bc u better repent before u kik the bucket ... AGAIN ..BULL PUCKEY ..thank God for you God that you aren't that way..and you mr Stanley for this help and freedom from crazy to many .. also and most of all thank you God. dor my beautiful wife and her great Baptist heritage who kept me from literally losing my mind with frightful thoughts of burning for a cuss word or a thought or a magazine. .all i was sorry for but may or may not have had time to repent. ..we are and love our AOG church family but .. thank God for those Baptist and God bless em for the stand they take on ..blessed assurance. .and .amazing grace ...again rev. Stanley thank you sir ..with fright i was nearly about gone kookoo worried about every second of mishap i might do without repentance. ...anyways please if your Christian and you have fear that grace is only as amazing as how amazing you do at life ...get this book now ....dont wait an another second. ..get it now and give it away to everyone you know . Forgive any typo errors. ..im sure you already did and i never had to ask but for our relationship i do and because of your grace to me. I has assurance. .tjank yuo .su moch

First purchased and read this many years ago and passed in on to a friend. While participating in a SS discussion decied to read again. Dr Stanley is a gifted theologian and man of God. Recommend this book for everyone whose ever doubled eternal security of Gods salvation. It's not earned, it's Gods gift to all who believe and receive Christ as their Savior.

Very well written and to the point, essentially affirming the following tenant: if you believe it's possible to lose Salvation, then you've sinned--blaspheming the Holy Spirit--and done so. So, Christ's sacrifice wasn't sufficient to the cause and only "perfect" you can take up the slack, to fill where He failed? No, Salvation is a gift erasing innate sin. The price you pay for volitional sin is a loss of rewards at the Bema Seat Judgment. Call on Christ to save you, to fill you up with the great Comforter, and have total confidence in Him. Do good works upon your Salvation foundation and keep your eyes on the prize: riches in Heaven!

Once again Dr. Stanley brings biblical truth to light as only he can, this is a great book for those seeking to learn about eternal security and what the bible has to say on this topic. Dr. Stanley has always given insight to the truth of the word of God.

What a powerful book ! What a great man , Charles Stanley. This book will explain why we can never lose Christ if we keep trusting, following, and believing in him. It gives hope and understanding of our one true God, Jesus Christ what He has done for us, His mercy and for the hope that lies within.Thank you again for your excellent customer service. God bless. Sincerely, Gemijame

I like Charles Stanley, and this book is no different. I did this as a discipleship book with 2 people that were doubting their salvation. Both said it gave them a better understanding and security in their salvation. One said questions they had for years were answered through this book. One of them was raised in the church and never had a dramatic change in their life, while the other was saved in college.

A must read for anyone who has ever considered the possibility that their salvation can be "lost". Dr. Stanley does an excellent job of showing that believing that one can be saved and then lost is just a lack of faith in and understanding of the true power of the Blood of the Lamb. Argument after argument in favor of "backsliding" is refuted in a clear and concise manner.
