Synopsis

When I got healed from my ulcer of ten years after I prayed a simple prayer, I began to realize why my other prayers for healing didn’t work.I taught others the four thought changes I made before praying and they began to heal others too. It shouldn’t take you so many days to start healing people or receiving healing.People get healed by me every other day. through physical meetings, on the phone and sometimes by my handkerchief. With so many documented healing testimonies, I believe it is your time to walk in that realm too.I share quickly how you can heal the sick in less than 5 minutes. These thought changes and way of prayer should not be secrets.Our dying world needs healing and this is a tool you can use to heal cancers, ulcers, athritis and any other disease.With even no training in healing, you will get adequate training in less than an hour to heal your first person.

It really is that simple. Accept, believe, RECIEVE!

Short and powerful and most importantly very scriptural. This little book re-minds you that The Lord has made operating in The Laws of Faith very simple. Healing is already yours today!
