Wow!!! What a beautiful calendar! I’m so glad I found this calendar. I had previously been to Provence last summer and bought a sealed calendar of Provence. Upon opening it I found the quality of the photographs early subpar and even ugly. So since I love the Middle East and the history I searched for something interesting and found this calendar. It is gorgeous. Very good quality photos and ancient phrases. I am very pleased with my purchase.

Beautiful pictures, well-made calendar, excellent overall. I look forward to these every year. The only improvement I could suggest would be a little more info on the pictures, since I always want to know where they were taken and maybe where I can find them again, and maybe the inclusion of more holidays.

I love these calendars, perfect in almost every way: beautiful photos, inspiring quotes, hijri dates and months, major world holidays. I buy several every year for our family and for gifts. But if only they were made available before the end of the year, that would be perfection!

Kind of disappointed that the calendar’s imagery was practically devoid of structures aligned Islam

Fantastic calendar with brilliant photography and great quality! A neat and modern amalgamation of Hijri and Gregorian calendars.

Beautiful

Wonderfully assembled

Excellent photographs as always
