Joyce Meyer is the bestselling author of more than 100 inspirational books, including The Power of Simple Prayer, Approval Addiction, Power Thoughts and Battlefield of the Mind. Joyce's 'Enjoying Everyday Life' radio and television programmes are broadcast around the world, and she travels extensively conducting conferences.

This is a great book for teens. It gets the same point across as the original for adults, which I highly recommend for anyone who wants to live for God and have a disciplined mind. In this book, it goes to an angle where I think teens can see the point more clearly on the subject.

I was looking for a book like this to say all the things I wanted to say to my grandson, but didn't really know how to say them. I really appreciate Joyce Meyer writings.

I have read many of Joyce Meyer's books and this book was not as easy to read or understand as many of her other books. This has a co-author and maybe his influence is what I noticed. I am 64 and I bought this book for my granddaughter, and I work with a girls' club. I thought this book would

help me understand and help these girls and I always read everything before I give it to the girls.

HAVE THREE TEENAGE DAUGHTERS AND THEY LOVE THE BOOK THANKS ALOT.

great book, everyone should read it

Bought for me as parent to read to start dialogue with my daughter. (She is a busy teen that does not like to read) Recommended to my sister-in-laws.

This book is great for all ages. So happy to finally have teen edition! Joyce Meyer is spit on with all Battlefield of the Mind books.

Important information if you want to have any control over your thought life. My granddaughter loves it.
