Great for beginning piano players, big notes and very basic. Arrived on time in perfect condition.

I give piano lessons, and this book with so many Disney movie songs has motivated one of my

students to really learn notes so she can play the pieces. Note range is 1 1/2 octaves above and below middle C. Book is well made.

The song are very familiar to my young students and the songs are easy to play. Good as an addition to the Lesson Book each student should be using.

fun for my students in early levels.

Very good compilation. My daughter loves it.

Wonderful book.

It has a really good selection of songs! Easy to play, but it has some challenging pieces. Not for the absolute beginner.

I like the book and the music inside is great! The music is a little harder than I had thought it would be, but that's my fault, not the book. It arrived at my home quickly! All in all, very good experience!
